Course content:

An exciting training and networking event including several theory and practical workshops covering new and existing effective practice and resources to support staff in designing, implementing and refining high quality Physical Education, school sport and physical activity. This event will include a key note speaker, a market place, and up to date information on P.E. within the proposed refined primary curriculum which will be led by a senior national consultant from the National Association for PE (AfPE). This event has been organised and led by Trafford Local Delivery Agency in conjunction with Trafford South and North Trafford School Sport Partnership's, Ashton-on-Mersey School, Broadoak High School, Flixton Girls' High School and Trafford Sports Development. The event is also being supported by the Trafford Children and Young Peoples' Service, including the Healthy Schools Co-ordinator. More information on individual workshops will be available in September 2010.

It is intended that the following Professional Standards for Teachers will be accommodated through this training and networking event: QTS – Q8, Q14, Q32; Core – C8, C15; Post-Threshold – P5.

Aims and objectives:

- To provide staff with the opportunity to explore and select new and existing resources that have been identified through effective practice.
